The Story of Skyline Chili

From a small kitchen in the village of Kastoria, Greece, a fascinated young Nicholas Lambrinides watched as his mother and grandmother prepared authentic Greek dishes. Their recipes had been passed down from generation to generation. These were unique, wonderful dishes that had the power to bring his whole family together.

Nicholas dreamed that one day he would bring these recipes and traditions to America, where he could share them with friends and family. In 1949, his dream came true when Nicholas opened his first restaurant overlooking the skyline of Cincinnati, Ohio and began serving his delicious secret recipes to appreciative customers.

Since then, Skyline Chili's Conneys, Ways and table-side service have been enjoyed by generations. Our Chili continues to be made from Nicholas's original recipe, using a secret blend of spices and only the highest quality ingredients. Skyline is dedicated to bringing friends and families together for an experience like no other and we will always be devoted to the American dream of that young man from a small village in Greece.
